Show Respect: GECKOS Focus for April

This month students will be learning about showing respect. This means making good choices, having control over our thoughts and actions, practicing good habits, being patient, controlling our temper and taking responsibility for our actions. We will continue using our WITS at home and at school when practicing respect.

Also, to work on our Growth Mindset, the April Monthly Mantra at school is "There's a difference between not knowing and not knowing yet!"
